This Manual offers commentary on *Lutheran Book of Worship*, a major work developed by four church bodies participating in the Inter-Lutheran Commission on Worship. The Manual has been developed by one publisher at the request of ILCW and with help from individuals involved in the work of ILCW.

Extensive quotations in this Manual are from *Lutheran Book of Worship* and from its Ministers Edition, both copyright 1978 by the participating churches. The Psalm texts are copyright 1977 by Charles Mortimer Guilbert as custodian of *Book of Common Prayer (Proposed)*; all rights reserved; used by permission. Texts of some prayers, creeds, and canticles were prepared by the International Consultation on English Texts.

All musical examples in this Manual may be duplicated without obtaining special permission from the publisher, provided that the following credit line appears on each duplicated copy:
